

**OBJECTIVE**

This is a fully invested global equity portfolio which invests across global developed market equity, emerging market equity and global property. It is suited to investors looking for high levels of capital growth over long investment horizons. The portfolio is diversified across regions, currencies and sectors with the aim to generate real returns relative to global inflation. The funds used within the portfolio have all been comprehensively researched and rated by Fundhouse and are actively monitored. The portfolio uses a combination of both passive and active equity funds to provide cost effective investments using best of class managers.
