

**OBJECTIVE**

This is a global balanced portfolio which invests across global asset classes: equities, fixed income, property and cash. It is aimed at investors who require offshore based capital growth and who have a moderate risk profile. The portfolio is diversified across asset classes, regions and currencies and aims to generate real returns relative to global inflation. The funds used within the portfolio have all been comprehensively researched and rated by Fundhouse and are actively monitored. The portfolio combines both multi-asset and single asset class funds to provide flexibility and efficiency of management.
